Our hugely popular summer school is back for the entire month of August and new pupils are welcome, they do not need to be current June Rendell students. During the week, there will be classes in ballet, tap and modern as well as one stretch class per day. Each Friday, children will perform what they have learnt throughout the week; this will be recorded to make a short film as a memoire to watch at home. Each class will be lead by a qualified dance teacher and a teaching assistant; both are DBS checked, qualified in their field and have completed an infection prevention and control course.

Summer School is **£135.00** per week, with reductions in price for siblings or multiple week bookings.

Please see our website for a full price list.
